**Black Powder:** The Black powder fall silhouette shoot will be held on Sunday November 2<sup>nd</sup> from 9am-3pm. Any black powder with lead projectiles are welcome. (Muzzleloaders and Black Powder Cartridge rifles) Also Cowboy lever action rifles (Pistol caliber) are allowed if lead ammo is used.

**BOD Elections:** Elections will be held at the December Members meeting. Nominations will be taken starting at the November BOD/Members meeting.

**Membership Renewal:** Remember to renew your membership for 2015!!!

**Rifle Range Safety:** It has been brought to the BOD's attention that members have driven onto the rifle range while others are actively shooting. This is a major safety violation. There will be a cable placed across the driveway from the target shed to the bank. The cable must be kept in place except to allow access to post and retrieve targets. At all other times the cable must be placed across the road. Initially the cable will not be locked. If safety violations continue to occur, a lock will be placed, and access to the rifle range by vehicle will not be allowed.
